

Winter/Spring 2016 Adult Education

SUNDAY MORNING @ 9:50 am

5&2 Class

Come grow in your faith and in your relationships with others! The casual, drop-in format of this group centers around the biblical principles of hospitality and fellowship modeled by the early Christian community.

Each Sunday morning we share a light breakfast provided by members of the class, juice, water, tea, and freshly-brewed coffee!

Life Applications

Enhance and strengthen your Christian life through learning, dialogue, and critical thinking.

This class will look at one God, one history, three religions - Judaism, Christianity, and Islam - then and now. What difference does understanding the religion of Islam, and the variety of religious and geopolitical realities which use that label today, mean to us as Christians?

Expect spirited discussion and thought-provoking questions!

TUESDAY AM

Women's Bible Study

This spring's study is Beth Moore's *Children of the Day*. Focusing on 1st and 2nd Thessalonians, we will be reminded that just like believers in the early Church, we carry the light of Christ within us. How can we best shine that light into the world? Come explore, share, and learn.
