

WALKING INTO THE SCHOOL and taking care of coats and backpacks are important skills for older preschoolers who will soon head to kindergarten. Four and five year olds may be dropped off in the carpool line at the side door to the preschool wing. Please follow the carpool route through the parking indicated on the map below if you are dropping a child off at carpool.

Our staff will supervise and assist children during carpool. Please do not let children out of the car until a teacher is there at 9:00 a.m. to greet them. To minimize traffic congestion, we encourage carpooling with other families.

Toddlers, twos and threes should be walked into the school by an adult. Midway through the school year (usually in November) three-year-olds will be able to join the fours and fives in morning drop-off.
