Sunday Morning Offerings

“ON THE JOURNEY”

WE HOPE YOU WILL JOIN US...**“ON THE JOURNEY”**

We are happy to announce that we already have several participants signed up for this new Sunday morning class, **“On the Journey”**. The class begins **September 20th at 9:45 via ZOOM***** and all **pre-registered** participants will receive an invite via email the week prior to Sept. 20. (*...We will hopefully be face-to-face as the year unfolds!*)

**** If you are not familiar with Zoom, please make us aware when you contact either Sue or Dan. We will work with those who may need some additional information about using the Zoom settings. ****

“On the Journey” is specifically designed for those seeking an opportunity for community and spiritual growth that will evolve through a variety of Biblical and topical studies.

PLEASE SEND AN EMAIL MESSAGE to PREREGISTER by THIS COMING FRIDAY, SEPTEMBER 4th.

By limiting the number to 35 participants, we can provide 'small group discussions' during the class and also provide 'breakout rooms' ...

Studies will revolve around the Bible and its teachings -- as well as worldly topics that impact the daily living of our faith.

**OUR HOPE IS THAT THIS GATHERING OF FOLKS WILL LEARN, LAUGH, AND SHARE TOGETHER
AS YOU GROW IN YOUR FAITH AND FRIENDSHIP WITH EACH OTHER.**

Please email (*or call if no email access is available*) your name and contact information to either Sue Parks rachelp11330@gmail.com or Dan Cook dcook@nc.rr.com no later than **THIS FRIDAY, September 4th.**

We will kick off the year on the 20th by getting to know each other – and we are very excited to have Larry Parks to kick off the year after we have some time to get to know each other. (*The topics and curriculum for the year will be determined by the actual class participants along with input from those leading the sessions.*)

We look forward to journeying with you!! Got questions or need more info. -- email us.

“The Wired Word”

Led by Rev. John, and based on a popular and trusted online curriculum, participants will discover that the Bible is alive today as we relate it to news events happening here and now.

On Thursdays, those signed up to participate will receive an email with some thoughtful questions and scripture references to ponder. Yet, because this curriculum is centered on current events, you can drop-in without preparation and be drawn into a challenging discussion. We will also participate in prayer, sharing and fellowship at the beginning of the class.

If you are interested in being a part of this new community, please contact David Finch. We have need of class administrators, weekly ‘welcomers’, and prayer leaders, so please indicate if you are interested in any of these roles. This class caps at 35 people.

Disciple 2

“Into the Word, Into the World”, covers the story of the Hebrew people from Genesis through Exodus and follows ministry of Christ and the church through Luke-Acts. For new believers, inquirers, and knowledgeable Christians, Disciple Bible Study emphasizes the wholeness of the Bible as a revelation from God. A study manual provides solid biblical commentary and a guide for completing weekly bible readings.
